Leadership and community involvement

IB CAS Project: Borderless Beirut (NGO)

September 2023 – December 2023

- Guided a team to arrange productive activities for underprivileged children as a chance to give back to the community

LEBMUN Admin, American Community School Beirut

February 2024 – February 2025

- Ensured the smooth flowing of the event and aiding the organization

Volunteer Work

Community Action Service – Student Led Drive

Beirut, Lebanon | September 2024 – October 2024

- Formed and guided a team of devoted students to organize fundraisers and donation centers for families in the south of Lebanon affected by war. Aided in planning the logistics of searching for makeshift shelters and centers for families to settle and seek refuge in.

Community Action Service – Thailand Project

Chiang Mai, Thailand | April 2024

- Volunteered with my school to venture to Thailand to plant over 500 trees and help enrich communities.

Community Action Service – Student Led Drive (February 2023)

Beirut, Lebanon | February 2023

- Volunteered to lead a team of devoted students to organize fundraisers and donation centers for families in Syria affected by earthquakes.
